Dear JUNZHE QIAN,

Your application for a visit visa to the United Kingdom has been refused.

**What this means for you**

Any future UK visa applications you make will be considered on their individual merits, however you are likely to be refused unless the circumstances of your application change.

In relation to this decision, there is no right of appeal or right to administrative review.

**The reasons for this decision are set out on the next page.**

Yours sincerely,

LH  
LVH

The Data Protection Act 2018 governs how we use personal data. For details of how we will use your personal information and who we may share it with please see our Privacy Notice for the Border, Immigration and Citizenship system at <https://www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship>. This also explains your key rights under the Act, how you can access your personal information and how to complain if you have concerns.

## REASONS FOR REFUSAL

You have applied for a visa to visit the UK.

In deciding whether you meet the requirements of Appendix V: Visitor of the Immigration Rules (<https://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-v-visitor>), I have considered:

- your application and any additional relevant information you have provided with it
- your immigration history

### The decision

I have refused your application for a visit visa because I am not satisfied that you meet the requirements of paragraph(s) V4.2 to V4.6 of Appendix V because:

- You have applied to visit the United Kingdom for 3 months for the purpose of tourism. In assessing your eligibility for entry to the UK I considered your personal and financial circumstances as evidenced by your application form and supporting documents.
- You have stated that you wish to visit your girlfriend in the UK and that they will maintain and accommodate you. You have indicated that your father will pay 30,000 CNY (£3,541.62 at an exchange rate of £1 = 8.470700 CNY; Oanda 03/04/2023) towards the cost of your trip. You have not provided a sponsor declaration form signed by your sponsor and other documents, the documents you have provided do not demonstrate your sponsor's personal or financial circumstances. I am therefore not satisfied that your sponsor can and will provide you with support for the intended duration of your stay.
- Furthermore, the documents do not demonstrate if you have ever met or any form of contact between you and your sponsor and it is not clear why they are supporting your visit. I am therefore not satisfied that you have a genuine professional or personal relationship with your sponsor or that they can and will provide you with support for the intended duration of your stay.
- Your application is therefore refused under paragraph V4.3 (a) and (c) of the Immigration Rules.

## NEXT STEPS

In relation to this decision, there is no right of appeal or right to administrative review.
